Quilter®**
Designed by a Quilter, for Quilters.®

WELCOME:

The Rusty Barn Promotion Group, Inc. welcomes you to the 25th annual Phoenix Quilt, Craft & Sewing Festival at the Arizona State Fairgrounds in Phoenix.

At our show you will find a wide variety of Sewing, Quilting, Needle-art and Craft supply exhibits from many quality local and national companies. In addition, you will have the opportunity to participate in one or more of the many "Make and Take" Workshops or FREE educational Seminars.

Your ticket is good all three days of the show — so please take your time and don't miss any of the exciting new products, techniques or educational ideas.

FREE SEMINARS:

BECOME THE SMARTEST QUILTER IN YOUR GUILD BY GUIDELINES4QUILTING

John Brady (booth #806)

Anyone can follow a pattern where all the seam allowance math and when and where to use Half vs. Quarter Square Triangles is already done for you. But if you're one of those quilters who still asks questions like:

- Why is Seam Allowance Math so complicated today?
- What do I need to know to resize a pattern?
- What's the difference between half and Quarter Square Triangles and how do you decide which to use?

then this class is for you! You'll gain a clearer understanding of patterns and be able to analyze any block you see. Visit our booth and website:

www.Guidelines4Quilting.com.

Classroom #2, 1:00 pm

COLOR YOUR FABRIC WITH PAINTSTIKS

Laura Murray (booth #244)

Laura Murray shares paintstik techniques and dozens of examples illustrating how anyone can easily and quickly transfer color through rubbings, stenciling, shading and drawing. Artistic skills are not required to create exactly the right fabric (washable) for

your quilts, garments or home dec projects.

Classroom #2, 12:00 noon

CREATE ENCHANTING CUSTOM FABRIC WITH WASHABLE TSUKINEKO INK

Joyce Teng (booth #347)

Have you ever wanted to transform a piece of dull, boring fabric into something original and luminous? Joyce's passion for fiber art has led her to discover innovative techniques for creating printed color images on fabric ranging from silk to cotton to polyester, and she is excited to share these techniques with you.

Classroom #1, 12:00 NOON

DESIGNER TIPS AND SOME TRICKS TOO!

Connie Spurlock (booth #144)

Finding ways to make each step of your project easier, not only completes the project faster but makes sewing even more fun! Let a pattern designer teach you some easy tips and techniques from quick stitching to perfectly binding on your quilts. This class will help you to be more accomplished in your sewing and give you some fun gift ideas too.

Classroom #1, 2:00 pm

GREAT GIFTS TO GIVE!

Linda Winner (booth #800)

If you're like me, you're always on the hunt for new projects. I love

sharing new projects with others so I want things that are quick & easy. But more than anything, I want projects that others would actually want to receive! Come join me, Linda Winner from Martelli, as I open up my suitcase & show you LOTS of projects that I can promise others will want. I'll give you tips & techniques to make them quick & easy but won't disappoint. You'll see projects for baby & kids, the kitchen & home, technology & great accessories, ideas to pamper others & much more. If gift giving is your thing, I promise you'll be getting requests for more!

Classroom #3, 12:00 noon

HOOP IT UP

Lindee Goodall (booth #823)

A successful embroidery result relies on proper hooping. Learn tips for hooping properly, accurately, and quickly plus what to do when the project cannot be hooped between the rings of the hoop.

Classroom #1, 1:00 pm

I DIDN'T KNOW I WAS SUPPOSED TO...!

Laura Rapai (booth #428)

Well who knew I was supposed to do that to stabilize my embroidery? Are you doing it the way you were taught when you first got that embroidery

machine? Things have changed in the home embroidery industry. Are you up to speed on the latest stabilizer techniques? Come join me to learn all the tips and hints you will need to create beautiful embroidery every time! Find out what the latest recommendations are for stabilizing and creating beautiful embroidery that you will be proud of.

Classroom #2, 2:00 pm

JODI BARROWS

LECTURE/TRUNK SHOW

Jodi Barrows (booth #820)

Jodi Barrows has taken her love for quilting and combined it with her love for the Old West in the creation of an inspiring lecture and trunk show. During this time, you will discover the history of Jodi's unique family of women. Come see the quilts, learn some American history and listen to Jodi as she makes this pre-civil war time period come to life. In addition, you will see an overview of her amazing Square-In-A-Square technique for piecing a quilt – see highlights of her new diamond technique for intricate designs with any style and color of fabric.

Classroom #3, 11:00 am &

Classroom #3, 1:00 pm

"LESS THAN TRADITIONAL" (CLASS ONE / THE BASICS)

Raylene Salazar (booth #217)

Come and learn the basic pattern for quick and easy circle quilts! This pattern is easy enough for a new quilter but fast and fun for all! Make Pin Cushions to King Size quilts and everything in between. Never be afraid of circles again! With LTT you can get lots of different looks. The possibilities are endless! In addition we will show you some of our favorite and most useful notions! Everyone is welcome!

Classroom #4, 12:00 noon

MORE FROM "LESS THAN TRADITIONAL" (CLASS TWO MOVING ON)

Raylene Salazar (booth #217)

Now that you have seen the basic pattern in Class 1, in this continuation of Less Than Traditional we will open up a world of possibilities! We will show you by making a simple block change or slight variation to the original that you can get the look of many traditional patterns. Learn to use up that stash of fabric you already have! We will also show how easy it is to use Less Than Traditional to make beautiful flowers for all seasons. No worries if you missed Class 1, simply come by the booth and we will catch you up.

Classroom #4, 2:00 pm

MORE TEN DEGREE RULER PROJECTS!

Connie Spurlock (Booth #144)

Using a ten degree ruler is a snap but if you have stopped at table runners, there is a lot more possibilities in your future. Cut some wedges and make a great (and easy) one of a kind decorator sweatshirt jacket, Christmas tree skirts, purses and tote bags by using the ruler to it's full potential. You will find many quick projects for fun gifts and you don't have to be a quilter to use this ruler with great success!

Classroom #1, 11:00 am

NOT YOUR AVERAGE COZY

Linda Winner (booth #800)

By now you've probably made a Microwave Bowl Cozy or thought about making one. Or maybe you've gotten one as a gift. But you haven't seen one like this. Linda will take the average bowl cozy and amp it up! First, we'll see how to make it faster & better. Then we'll turn it into an ice cream cozy, a plate warmer, a trivet and a potato bag. See Linda's trick to determine the best size for your cozy & how easy it is to adjust for different sizes of bowls, plates & even cups! Then we'll add a handle or two to make it a carrier that's perfect for odd sized items like Pyrex, Tupperware,

cookie and pie plates, loaf pans & more. It's not just for your microwave anymore! As a bonus, Linda will show how to make a better Coffee Cozy, too!

Classroom #3, 2:00 pm

PERFECT YOUR EMBROIDERY BEFORE PRESSING GO

Laura Rapai (booth #428)

You are not the only one who has ruined a garment and wondered what went wrong. Most of time the mistake was made by the digitizer, not you. I will show you how to check any design and make the necessary corrections with your software before pressing the start button.

Classroom #2, 11:00 am

TEMPLATES (RULERS) & MACHINE QUILTING - A PRIMER COURSE!

Patricia Simons (booth #141)

Do you have a home machine and are ready to step beyond stitching in the ditch and meandering? Perhaps you have heard of a particular foot you can put on your home machine to use templates when quilting? Or perhaps you have a mid- or long-arm machine and you want try using templates? Learn the basics of machine quilting with templates (aka rulers). Find out: Why templates are made out of different thicknesses; Strategies for getting really small or getting points. Get the facts and knowledge before you leap into the exciting world

of templates and all the possibilities. (Part 1 of 2)

Classroom #4, 11:00 am

UNLOCK YOUR CREATIVITY - THE KEY IS TEMPLATES

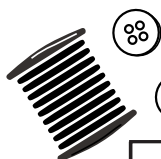

Patricia Simons (booth #141)

Are you convinced the Artistic Fairy bypassed you? Join Patricia as she shows you how to move templates to create stunning designs that look complicated but are in reality the simplest of shapes. These techniques can be used by all quilters and crafters from hand quilters to home machine quilters to mid- and longarm quilters. Learn techniques to create blocks and borders. From simple shapes to complex looking designs. (Part 2 of 2)
